Letton Hall

Letton Hall is a charitable trust whose purpose is to advance the Christian faith generally for the public benefit (in particular but not exclusively) by providing accommodation, meeting rooms, related services and facilities for faith and education groups and other groups or individuals to hold retreats, worship, training and education and learning in all denominations of the Christian faith, and by the preservation and protection of the Grade II listed building known as Letton Hall, according to Christian principles.

We are seeking to add to our number of trustees to direct the management of the charity, and are currently in the process of changing from a "Charitable Trust" to an "Incorporated Charitable Company" limited by guarantee. The trustees would effectively become Directors of the Incorporated Company.

Trustees/Directors typically meet once a month to review finances, address any points raised by the Centre Manager and to decide the forward strategy and policy of Letton Hall. We work very much as a team, and are seeking new ideas and a fresh perspective. There are many ways in which the trustees can also become involved, helping in a huge range of activities, if they wish.
