

## Generous Giving and Digital Giving schemes

A reminder that you are all invited to the presentation by Robert Culyer and his team on these two schemes. The presentation will take place in Little Ellingham village hall on Wednesday 8<sup>th</sup> March starting at 7pm. Coffee and tea will be available.

This presentation is not just for members of the PCC but for everyone who makes financial contributions to the church e.g. the congregation. As money in the form of cash is increasingly being sidelined in favour of other forms of payment (some people don't carry money any more), it is important that our churches consider other forms of paying and receiving financial support. Whether we like it or not, if we cannot support our churches financially then they cannot survive. So it is important that we consider all possibilities to ensure our churches remain financially viable.
